How to Get to the Three Village Garden Club

From campus:

Go north on Nicolls Road, and when you reach rt. 25A (T-intersection) make a right turn and proceed to the next traffic light. Make a left and drive straight on. When you have passed the second stop sign you will see Setauket Pond to your left and will come to another stop sign. Make a right turn (Setauket Post Office will be at your left as you turn) and proceed just a few hundred feet and you will see Dyke Road to your left. BUT, at the corner to your left there will be a driveway that will take you to the Garden Club. Drive a few hundred feet and you will pass a wooden building to your left and park in the rectangle just past it.

The Garden Club is the red dot in the map below.
